

Sharmila Sundararaj

Software Engineer

Date of Birth: 17.10.1994

Zum Osterfeuer 3,
38448, Wolfsburg

Marital status: Married

Nationality: Indian

+49 151 75398460

sharmila.sundararaj@gmx.de

Skills

Programming:

Javascript,HTML

CSS, jQuery, Bootstrap

Angular JS

Python, Java

Database Management:

MySQL, Oracle Sql

MongoDB

Version Control System

git, RabbitVCS

Deployment and IDE:

Apache Tomcat, Maven

Eclipse (BIRT)

Others:

MS Office

Linux, Windows

Professional Experience

08/2016 – 04/2018 **Software Developer**
i-exceed technology solutions ,Bangalore

- **Agile development:** Full lifecycle software development including interface designing, business logic and database designing, unit testing, debugging and deployment.
- **Software Development:** Development with MVC architecture.
- **Version control and Deployment** Github,RabbitVCS ,Apache Tomcat and Maven

Javascript

HTML

CSS

SQL

Mongo DB

Eclipse IDE

Practical Experience

09/2017 – 04/2018 **India Post Payment Banking**

- Played a major role during the development of Agent Management System application which streamlines the credentialing process and bringing agents on board into the banking organization by supporting multiple services/features.
- Integrating design level elements and functional level elements.
- Responsible for all aspects of Presentation Layer development including JavaScript functionalities and collaborating with Designers to iterate the design
- Have worked on BIRT(Business Intelligence and Reporting Tools) for report generation.

- Provided production support by fixing the issues throughout the movement.

08/2016 – 10/2016 **HDFC Executive Demo Application**

- Developed a demo application which targeted on the loan credentialing process with biometric authentication like fingerprint scanning and iris scanner
- Got overall knowledge on biometric authentication with the help of Evolute hand held device
- Worked on Embedded database with the help of SQLite.

Competence

- Software Development
- Programming
- Web Development
- DevOps
- Agile Development

Profiles

Languages

German (A2 - Certificate)

English

Hobbies

Badminton

Fashion Designing

Cooking

Crafting

Education

Undergraduate Study

08/2012 –
04/2016

B.Tech in Computer Science Engineering

Amrita University, Coimbatore, India

Project Title: Functional development and deployment of Karnataka Banking App.

Overall Grade: 2.3

DBMS

Programming

Algorithms and Data structures

06/2011 –
05/2012

High School Diploma

Alvernia Matriculation Hr. Sec. School, Coimbatore, India

Overall Grade: 1.7

Mathematics

Computer Science

Other Trainings

10/2019 –
12/2019

Start Deutsch A1

Goethe Institut, Bangalore, India

- Basic skills on German language

07/2020 –
10/2020

Start Deutsch A2

Goethe Institut, Göttingen

- Intermediate skills on German language

Wolfsburg, September 13, 2020
